# Copyright and terms of use

## General

These conditions apply to information obtained from Sport New Zealand (Sport NZ). For some products and services additional conditions may apply. Where additional conditions apply, they will be part of the documentation for those products and services. We reserve the right to amend the terms of use.

## Sport NZ copyright

All data and other material produced by Sport NZ constitutes Crown copyright administered by Sport NZ. Unless otherwise specified, content produced by Sport NZ is licensed under the Creative Commons Attribution 4.0 International licence.

Except for any photographic image, or any content with a specific copyright statement, you are free to copy, distribute and adapt the work, as long as you attribute the work to Sport NZ and abide by the other licence terms.

Please note you may not use any departmental or governmental emblem, logo or coat of arms in any way that infringes any provision of the Flags, Emblems, and Names Protection Act 1981, or would infringe any provision if the use occurred within New Zealand.

Use the wording 'Sport New Zealand' in your attribution, not the Sport NZ logo.

Most customised data reports also carry a Creative Commons Attribution 4.0 International licence. Where we do not indicate licensing, full copyright terms apply.

Content supplied by third parties is not covered by Sport NZ's copyright, and the use of third party content must adhere to copyright conditions of the party supplying the content.

## Attribution

If you publish, distribute or otherwise disseminate this work to the public without adapting it, the following attribution to Sport NZ should be used:

"Source: Sport New Zealand and licensed by Sport NZ for re-use under the Creative Commons Attribution 4.0 International licence."

If you adapt this work in any way or include it in a collection, and publish, distribute or otherwise disseminate that adaptation or collection to the public, the following attribution to Sport NZ should be used:

"This work is based on/includes Sport New Zealand's data which are licensed by Sport NZ for re-use under the Creative Commons Attribution 4.0 International licence."

## Quality of data

All data is subject to error, either through incompleteness of data collected or by way of limitations imposed by the design, collection or manipulation of data. The quality of such data should always be assessed before deciding on its fitness for the tasks to which it is to be used.

## Liability

While care has been used in processing, analysing and extracting information, Sport NZ gives no warranty that the information supplied is free from error. Sport NZ shall not be liable for any loss suffered through the use, directly or indirectly, of any information, product or service.
