

Rural Travel Fund 2024 Snapshot

JULY 2023 - JUNE 2024

Sport NZ's Rural Travel Fund (RTF) helps lower travel barriers for rural sport clubs and school teams where players aged between 5 and 19 years require subsidies to assist with transport expenses to local sporting competitions. The RTF is distributed via the 35 smallest (by population) Territorial Authorities.

Total investment into the RTF since its inception in 2003 totals \$8,549,656. This includes an additional one-off investment, provided through Covid Recovery funding, of \$304,110 distributed over two years in 2022-23 and 2023-24 to assist with higher transport costs. In 2023-24 requests for funding totalled \$1,474,507.
